Ventura Wraps Up 2010 Men's Tennis Season With Doubles Title

Newport Beach, CA (*Tennis*) -- The Ventura College Men's Tennis team wrapped up their 2010 season on Saturday afternoon with a 2010 CCCAA Men's Tennis State Doubles title to go along with their team title that they won on Thursday. Brothers Juan and Pedro Arteaga beat Hasheem Bason and Justin Vea of Foothill College in a rematch of sorts from Thursday afternoon (though the two teams didn't reach doubles play then).

In the semi-finals the Arteaga's butted heads with Marcelo Alecio and Alfredo Mota of College of the Desert in a rematch of their regional final meeting last week. Again the Arteaga's emerged victorious, this time in three sets 4-6, 7-5 and 6-2.

In the championship match against Foothill, the duo were just too strong for the Owls. The Arteaga's easily won the first set 6-2 before finishing them off in the second 6-1.
