**Reedley Wins Women's Doubles Title**

**Newport Beach, CA** (*Tennis*) -- The Reedley doubles team of Yumi Justin and Amy Busch, the #1 seed from the North, won the 2010 CCCAA Women's Tennis Doubles Championship on Saturday afternoon. The pair defeated the #1 team from the South from Santa Monica College in Tiana Lauritzen and Anastasia Elseeva.

Reedley cruised into the finals beating a doubles team from Orange Coast in the semi-final round 6-1 and 6-1. Awaiting Reedley then was the Corsairs in the final round. Reedley went down early in the first set trailing 1-4 at one point. The Tigers rallied though in the first set coming back and winning the six of the final seven games of the set to take it 7-5. The second proved to be much like the first with Santa Monica jumping out to an early lead. Reedley charged back though eventually winning 6-4.

Both doubles team featured a singles player that advanced to the semi-finals earlier in the day with Reedley's Yumi and Santa Monica's Elseeva both falling in the semis.
