

**California Community Colleges
Track & Field/Cross Country
HALL OF FAME**

Each year the California State Track & Field Championships features the induction into California Community College Track Coaches Hall of Fame. The California Community College track & field and cross country programs have led the nation in many ways. We have had numerous fine, dedicated coaches whose impact on track & field has reached far beyond the community college. The programs have also been fortunate to have the number of great athletes, officials, and administrators who have continued to succeed at national and international levels of competition. The Hall of Fame is designed to honor these tireless contributors to our sport.

Ed Adams - Hartnell (1995)
