Goal Explanation

Following a Santa Ana foul at the top of the box, Flores tapped on the ball just a few inches to re-start as Canela ran onto the ball, as his shot partially deflected off the wall, bounded high in the air and when in through the upper-left hand corner for the match's lone goal.

Earlier in the 61st minute, Santa Ana's Julio Laguna took a direct free kick from a similar spot, but five yards deeper, but hit the base of the right goal post, as the rebound went to the right towards the corner and was cleared by Santa Rosa.

Gibson made all three of his saves in the first half, all of the spectacular variety, robbing Randy Zepeda, Santiago Galvez and Victor Ferrel.
